GloveStatus

AAA24

When was the last aaa24 member email you received? I was having an issue with the emails and wasn't getting them. The last one I got was the members only December 2022 and that's only because I emailed them about not getting anything and they had to forward it to me. So technically the last one I really received was for Black Friday. Just wanna make sure I'm not missing out

Honestly this subscription thing could've been the best thing ever but they somehow found a way to make it the opposite
